It's time to gather downtown

Vision

Sealy Main Street is about bridging the past to the future to create fun places that people love to live & visit, where businesses can thrive, & where community can come together and grow.

Mission

The four points of the Main Street approach work together to maintain the unique historic nature of downtown recognizing its history and planning for its future. We strive to provide economic vitality to the heart of our city through public and private partnerships to revitalize and encourage reinvestment, develop tourism, and recruit and retain businesses.
